

HOSER

Blasting Scum and Keeping Your Customers' Floors Safe

CLEAN AND DRY YOUR HOSE IN ONE PASS

Stop messing with towels! Quickly and easily blast scum from your vacuum and solution hoses with the Hoser hose washing tool. Whether you pulled your hoses across a flower bed, or across the floor after a sewage job, the Hoser is a must for keeping hoses, and more importantly, your customers' floors clean.

FEATURES

- Internal cleaning ring blasts hose from all sides
- Vacuum channel quickly removes water
- Shatterproof glass-filled polypropylene plastic
