

# Revolution Dehumidifier Suspension Kit

Suspension installation kit. Hang the Dri-Eaz Revolution LGR Compact Dehumidifier to suspend it out of the way of occupants and foot traffic. Durable rubber inserts help to absorb vibration and noise.

## FEATURES

- When properly installed, the Kit will help to reduce operation noise and vibration.
- Adjustable straps allow easy access to the unit for cleaning or service, plus enable easy leveling.

## SIZES • OPTIONS

- **F526:** One kit (does not include dehumidifier)
